

# Interkompas 45

30th August – 1st September 2019

---

## INVITATION (updated in February 2019)

---

### The end of summer in South Bohemia by the mean of a three-day orienteering event

In 1974, the first edition of **10 days with Orienteering** (Friday to next Sunday) was held on the map *Řasy 1* (<http://mapy.orientacnisporty.cz/mapa/rasy-1-1974>) in the forested area of Czech Canada with the highest peak *Řasy* (642 m above sea level) between the ponds *Dřevo* and *Kačležský*. The event was organized by the orienteering club of *Jindřichův Hradec* and was later known as **Interkompas**. In the 10-day format, it was organized until the late 1980s. In 2019 we will recall 45 years since the first *Interkompas*. We do not dare (yet?) to prepare 10 days of organized O-activities, despite all the technical and other endeavors that no one has ever dreamed of, 45 years ago. However, we have decided to organize at least three-day races in the same terrain. We hope that this opportunity to finish a summer holiday in South Bohemia or a club training camp in nearby terrains (Landštejn, EYOC 2011 terrains, ...) by the 3-day orienteering event attracts not only the witnesses of the original *Interkompas*.
